For "**new users**" you will need to click on "**new user**" and create a login and password. When you have registered onto the site click on the "**claim credit**" prompt and enter the course code below.

Enter the program **Course Code TCFWLMODZ5** (where indicated).

Now click on the **Take Exam** link which is displayed directly across from the program title. Click the link and follow the prompts.

Return users will be directed to your FCM "**User Record**" page where a "**Take Exam**" link will be displayed directly across from the program title. Click the link and follow the prompts. If you do not see the specific course exam you are looking for click on **Claim Credit** and enter the appropriate **Course Code**.

Upon successful completion of the online Post Examination and Evaluation Form you will be directed to your FCM User Record page where you may Print/View your Statement of Credit (certificate). Certificate links become a permanent part of you FCMcme.org user record. You may return anytime in the future to the FCMcme.org website to Print/View previously claimed credits.

**We also invite you to participate in any of our accredited online programs.*

Disclosure Statements

Speaker:

Mary Corry, MSN has no relevant relationships with commercial interests to disclose.

Planning Committee:

Mary Corry, MSN Content Expert and Beth York, Nurse Planner, have no relevant relationships with commercial interests to disclose.

Conflict of Interest Disclosure Policy

It is the policy of the Foundation for Care Management (FCM) to ensure independence, balance, objectivity, scientific rigor and integrity in all of its continuing education activities. FCM requires everyone in a position to control the content of this activity to disclose any financial conflicts of interest they may have as related to the content of this activity and having occurred within the last 12 months. A Financial relationship are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria for promotional speakers bureau, has ownership interest or other financial benefit. The faculty must disclose to the participants any significant relationships with commercial interests whose products or devices may be mentioned. All identified conflicts of interest are thoroughly vetted by FCM for fair balance, scientific objectivity of studies mentioned in the material or used as the basis for content and appropriateness of patient care.

"A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients".

Objectives:

Upon completion of this workshop, the healthcare professional will be able to:

1. **State the projected nursing shortage in the United States.**
 2. **Identify the nursing shortage projected for the state of Illinois.**
 3. **Describe two new nursing careers.**
 4. **Identify available funds to pursue higher nursing education.**
 5. **Recognize different nursing certifications in the nursing field.**
-
-

Course Description

This webinar will identify the different non-traditional careers available in the nursing field. Participants will recognize that they have different options outside of the hospital setting to continue working in the nursing profession. The goal of this webinar is to help address the current nursing shortage in the U. S.

ACCREDITATION STATEMENTS

Nursing Statement
